How to register for the 2019 Maine Marathon on CrowdRise

Follow these steps to quickly sign up to register and fundraise for Brigham and Women’s Hospital as part of their Maine Marathon 2019 team.
STEP #1: Go to the Campaign Page and click the Register button.
**STEP #2: Choose your race type**
Find your race type (Marathon, Half Marathon, Relay Team Captain, Relay Team Member, Virtual Runner) and click on (+) to select it. Then Click Continue.

**STEP #3: Fill out your Buyer information**
The buyer is the person going through the registration and agreeing to the fundraising minimum.

---

*Your ticket option will require you to raise $150 by the fundraising deadline of 10/5/2019. The full agreement will populate prior to checkout.*
**STEP #4: Fill out your Participant Information**
The Participant is the person participating in Maine Marathon 2019.

If you're registering yourself the Buyer and Participant will be the same person. If that's the case, you can click the box “Copy from Buyer Information” to easily have your name and email pre-populate.

If you're registering on behalf of a friend or family member, be sure to enter your information as the Buyer only, and whoever is participating in the race as the participant. The best practice is for the Participant to register themselves, serving as both the buyer and participant.
STEP #5: Choose your fundraising options
If you’re registering for Marathon, Half Marathon, or Virtual Runner, you’ll be prompted to Fundraise as an Individual, so please use your name in the field Campaign Name. Since you’re agreeing to a $150 fundraising minimum, please enter a minimum goal of $150.

Fundraising Options
This ticket option requires fundraising. Please provide a valid email address to create a fundraiser

Fundraise as an Individual

Campaign Name *
Runner Name

Campaign Goal
$ 150
If you’re registering as a **Relay Team Captain**, you’ll be prompted to Create a Team, so be sure to pick a team your Relay Team Members will know to select when they register. Since you’re agreeing to a $150 fundraising minimum, please enter a minimum goal of $150.

If you’re registering as a **Relay Team Member**, choose the team your Relay Team Captain has already created from the list. Since you’re agreeing to a $150 fundraising minimum, please enter a minimum goal of $150.
**STEP #6: Review Waivers**
You will need to read and agree to 3 waivers in order to head to the checkout process. Click on the yellow hyperlink for each to review the terms in full, then check the box with the corresponding waiver description to agree. Once you've agreed to all three, click Continue.

- I agree to the Fundraising Minimum Agreement with a total of $150.00 *
- I agree to the BWH Fundraising Minimum Notice *
- I agree to the BWH Maine Marathon 2019 Waiver *

**Step #7: Enter your payment information**
There is no upfront fee to register on CrowdRise but will you need to enter your credit card information to complete the registration. Please be sure to enter your billing information exactly as it is listed on your billing statement, so be careful above spelling, formatting, and abbreviations. We recommend you enter this information manually without the help of any autofill plugins you might have enabled on your browser. Click on Checkout.
**STEP #8: Access and edit your fundraiser**
On the confirmation page, click Go to Campaign to customize your page with your own images, goal, and story text.

If you do not click on Go To Campaign, you will receive an Accept Fundraiser email from CrowdRise to publish and access your campaign page to the email address you used to register. You will also receive the registration confirmation email which will include some additional information from Brigham and Women’s Hospital.
