

2020 Maine Marathon Marr Fund Team FAQ

1. Why did the Maine Marathon make the race virtual?

Due to the ongoing uncertainty surrounding the COVID-19 pandemic, race organizers decided that the 2020 Gorham Savings Bank Maine Marathon, Half Marathon, and Relay, originally scheduled for Sunday, October 4, will take place virtually over two weeks for the safety of all.

2. What is a virtual race?

Participants pick their own route and run/walk anytime between September 26 – October 12 wherever they are in the world. The Maine Marathon course is available for those who want to run on it, but there will not be water stops or aid stations. Participants should adhere to safety and health guidelines wherever they decide to run.
