

# Support my run with the Marr Fund Team to end Alzheimer's

Funds raised are dedicated to advancing Alzheimer's prevention research.

## Alzheimer's Disease Facts:

- More than **6 million Americans** are affected by Alzheimer's. By 2050, that number will rise to nearly 13 million.
- **1 in 9 people** over age 65 has Alzheimer's.
- In 2021, **\$355 billion** will be spent on care for Alzheimer's and other dementias.
- **1 in 3 seniors** dies with Alzheimer's or another form of dementia.

## Marr Fund by the Numbers:\*

**\$3.86M**

raised for  
early-stage research

**3,758**

donors

**320**

fundraising runners  
representing three generations  
and more than 4,900 miles

## Marr Fund Progress to Date:

- Funded research that has informed the design of worldwide prevention trials;
- Helped researchers uncover critical insights on who is at highest risk for the disease and how and when to best intervene;
- Served as a catalyst—helping Brigham researchers secure millions of dollars in federal funding; *and*
- Created a generosity network—helping to inspire additional philanthropic support totaling more than **\$27 million** and counting.
